A PERSONAL CONNECTION

thyssenkrupp Bilstein is the second largest employer in Hamilton. They are striving to be #1 in community impact.

Through the Built to Give Back Fund (B2GB), Bilstein awards grants monthly to local initiatives and programs, many of which are for organizations close to the hearts of employees.

Bilstein created the B2GB Fund at HCF in 2015 so that they could hold fundraisers and engage employees in charitable work. Choosing to use the Hamilton Community Foundation was a way to ensure that their processes were handled professionally and efficiently.

A Corporate Fund is the perfect way to show employees and clients that you care about community.

BENEFITS OF A CORPORATE FUND

Opening an Advised Corporate Fund allows you to make an up front gift to the Hamilton Community Foundation, then remain actively involved in advising future uses for your gift. Corporate funds are great tools to engage your organization and employees in the charitable activities that are close to your heart.

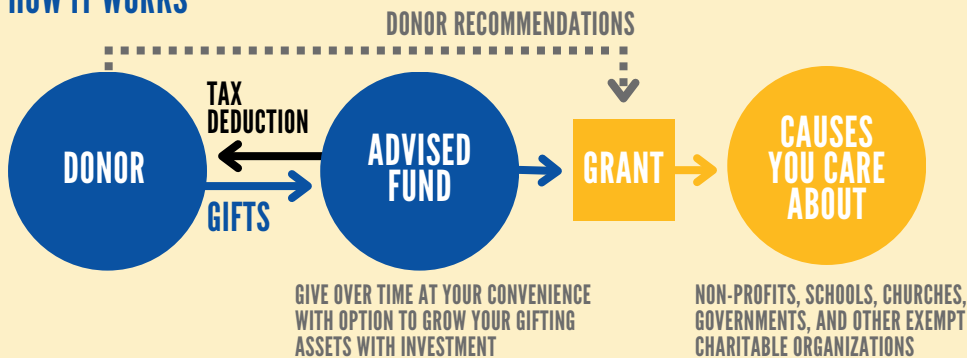

- ♥ **Give where you want** | You or your team identify the non-profit, school, church, or government agency to be granted to, anywhere in the country.
- ♥ **Simplify your deductions** | Each gift to your fund is tax deductible in the year it's made, not with each distribution of funds.
- ♥ **Timing is everything** | With no annual giving requirement you or your team can give to causes when it feels right.
- ♥ **Benefit from market appreciation** | You have the option to invest and grow your gift alongside the Foundation's other assets.
- ♥ **Secure online access** | You can view your fund balance and make grant recommendations.

GIVE LOCAL FOR LOCAL IMPACT

EVERY GIFT SUPPORTS OUR COMMUNITIES' LEGACY

WHY GIVE THROUGH THE FOUNDATION?

HOW IT WORKS

Incorporating philanthropy into your corporate culture allows companies to enhance their public image, boost employee morale, and foster a sense of purpose and community. Corporate Advised Funds are convenient, flexible tools for businesses or employee groups that want to be personally involved in suggesting grant awards from their Fund. Advised Funds are typically less costly and easier to administer than other forms of philanthropic giving (such as family or corporate foundations). You can add to the Fund at any time, receiving tax benefits with each new gift. You can establish a Fund today and make grant recommendations now or in the future. And, if you endow your gift, it becomes a permanent community funding resource in your company's legacy.

STAFF SUPPORT

Our staff offers expert understanding of community needs, delivering personalized service that aligns with individual charitable and financial interests.

GIVING EXPERTISE

We work with you or your financial advisor to offer flexibility, accepting donations in the form of cash, stocks, bonds, or other complex forms for giving. These gifts usually qualify for maximum tax benefits.

STAYING POWER

Since 1951 we have established enduring endowment funds that perpetually benefit the community and create lasting legacies for our donors. With over \$150M under our care, we have the stability to ensure these legacies continue to make a positive impact forever.
