Grant Recognition Guidelines

Grants from the **Youth Philanthropy Committee (YPC)**- Hamilton Community Foundation (HCF) are made possible by generous donors who have contributed to the unrestricted funds of the Hamilton Community Foundation since 1951. Public recognition of the grant, and thereby all donors to the Foundation, is very important to encourage future contributions to this permanent community resource.

Foundation Responsibilities

HCF publicizes its YPC grants through media relations and stories in our publications and website. We encourage non-profit agencies to share with us photos of your grant projects so that we might help showcase your good work. HCF can help publicize your grant and your activities as follows:

- Highlight interesting grant stories through the HCF website, newsletter, and annual report.
- Send a representative to grant-related events, at your request (not required).
- Provide acknowledgment language and Foundation logos for your use as needed.

Grant Recipient Responsibilities

We appreciate acknowledgment of our grant in whatever ways are within your organization's communications capabilities. We also encourage you to send us press releases or copies of publications or media coverage that mention your grant. Please email photos to Kasey Rouse, Director of Scholarships and Youth Programs at krouse@hamiltonfoundation.org. We encourage you to use our logo, with written acknowledgment, where suitable.

Social Media

We are utilizing social media outlets to share the news and impact of our grantmaking. As a recipient, within 30 days please send a 250-300 word document and photo to share the story of the grant we have funded and the impact it will have on your organization. Email to Kasey Rouse at krouse@hamiltonfoundation.org.

Acknowledging Your Grant
